Dear Parents and Community Members,

As part of our safety program, we participated in the Great American Shakeout yesterday, 10/18 at 10:18 AM. We did an earthquake drill, followed by an extended safety drill where our teams were activated to perform their duties; such as: Search and Rescue Team, First Aid Team, Psychological Team, Request Gate and Reunion Gate Teams. We had students who acted out some roles to enable the teams to perform their functions. The students participated well and the staff were able to practice what to do in the event of an emergency.

Next week is Red Ribbon week and our focus is on healthy living and making appropriate and healthy choices. We are showing Screenagers on Thursday morning at 8:30 AM in the Multi-Purpose Room. We will also have an evening showing at 6:00 PM for those who cannot join us in the morning. I hope many of you can view the film with us as it imparts ways to support young children in the use of technology.

Have a great weekend!

Sincerely,

Bernie Evangelista

APEX

Once again, the Apex Fun Run program will be coming to our campus on October 30th-November 9th to help raise funds for our campus. Apex Fun Run is an interactive leadership program that helps schools all over the country raise money, while promoting leadership, good character and fitness. This years' theme is Apex Strong! Students will join the Apex Squad on an exciting journey as they learn what it means to have inner strength

The program will kick off with a pep rally on Tuesday, October 30th, at 9:00am in the Multipurpose Room. The Apex Fun Run Day is on Thursday, November 8th. K-3rd graders will run at 9am and 4-8th graders will run at 10am. Please see the attached letter for more information.

Great American Shakeout

Yesterday, 10/18/18, our campus participated in the Great American Shakeout drill. This event is nationwide and helps students and staff members prepare in the likelihood of an emergency event. Our students did a wonderful job and remained calm and attentive. Staff members quickly assumed their roles and dispersed through the campus to check on the safety of students and environment alike. The drill was completed in a timely manner, students returned to their classes, and the normal daily school routine was followed.

“Teacher of the Week”

This week, we are featuring Ms. Mara. She is one of the teachers in our Club M Program. Come read and get to know all about her 😊.

Screenagers

Mark your Calendars! CMP-Capitol will be showing a screening of “Screenagers: Growing up in the Digital Age” by Delaney Ruston. This is an award winning film that delves into the world of technology and how it impacts children’s development. We invite and encourage all parents to join us for this event.

Date: Thursday, October 25, 2018

Time: 8:30 AM and 6:00 PM

Where: Multi-Purpose Room
