Spring Picture Day

Dear Parents and Community Members,

Thank you so much to our 5th and 6th grade parents who volunteered to drive and/or chaperone the students to Sly Park! We appreciate your support and commitment to make this possible! The students had a great time!

We also thank the 7th and 8th grade parents for finding job shadow/intern opportunities for your students. These internships create long lasting impacts to the students. We are looking forward to hearing about their experiences and information regarding the jobs they learned about.

We appreciate all our parents for partnering with us in the educational journey of your children! Thank you for all you do!

Have a great weekend!

Sincerely,

Bernie Evangelista

Book Character Day

Our 9-12 classes have been working diligently on their “Reading Celebration” project. They will be presenting their book reports to their classes on Book Character Day, March 1st. Students will also come to school dressed up as a character from the book they have been reading.

We also encourage the rest of the campus to participate in Book Character Day. All students may come to school on this day dressed up as their favorite book character.

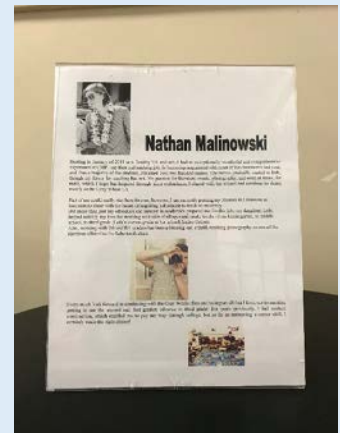

Science Expo

CMP Capitol is hosting a Science Expo on February 28th from 5-6:30pm! Students in each class have been working really hard on science projects to display for the community on this evening. Join us in celebrating their hard work.

The campus will also have outside vendors providing displays and hands on activities for our families. They will be stationed in the Multi-Purpose room.

Teacher of the Week

This week, we are featuring Mr. Nathan. He is the Teaching Assistant in the Gray Whale Classroom. Please stop by to read all about him 😊

ParentSquare

In our efforts to improve our communications to the community, we introduced ParentSquare last year. This program gives us unique features to ensure a faster outlet of information. We encourage all parents who have not done so already to register for an account. If you have already registered but are not receiving any emails, check your spam/junk folder to ensure that the emails are not being sent there. Here are just SOME benefits of ParentSquare:

- **Text Feature:** This allows you to receive a text notification indicating some new communication has been sent out. Never miss an important notice again!
- **Messages:** Direct messaging your student's teacher(s) with questions or concerns you may have.
- **Attachments:** Signing up for a ParentSquare account will allow you to view all attachments and photos in a communication post.
- **Sign-ups:** Be able to sign up for volunteer jobs or donations for the classroom and school events

Carline Safety

As part of our commitment to student safety, we ask that all parents help follow the guidelines of Carline procedures during drop off and pickup. Here are a few quick reminders:

- Students must exit or enter vehicles on the **curb side**
- Drive way entrances are **ONE WAY**
- Do not double park or leave your vehicle unattended in the car loop
- Please remember we are in a residential area; **Drive safely and obey the speed limit**

Spring Pictures

Spring pictures will be taken on March 7th. Only those students who bring order forms with payment on Picture Day (March 7th) will have their portraits taken. PLEASE NOTE: All orders placed online for the Spring 2019 portrait school year MUST provide an order number and printout of the order confirmation to guarantee that the child's order be coded correctly.

Students getting their pictures taken can come in FREE DRESS that day. The Spring picture flyers will be coming out soon, please be on the look-out for them.
