Dear Parents and Community Members,

Hello from Washington D.C.! Ms. O, Ms. Jill, Ms. Shelley and I, along with 20 other CMP staff and over 4,000 members worldwide are attending the annual Montessori Event presented by the American Montessori Society. Being here, surrounded by committed and dedicated Montessorians, reignites our passion to provide the best Montessori education to our students and families. There are so many interesting and relevant workshops and we will definitely bring back a lot of information to share with the rest of our staff and community.

Meanwhile, thank you for attending spring conferences and meeting with your child's teacher. I hope the conferences went well. I was impressed by the growth the students made this semester.

Sincerely,

Bernie Evangelista
