Dear Parents and Community Members,

Our 3rd through 8th grade students worked so hard during CAASPP testing this week. Next week, our 5th and 8th graders will take the Science test. When the results are in, we will inform parents.

During the week of May 20th, our new incoming Kindergartner families will be visiting the campus to observe in a Kinder classroom. Please give the new families you see that week a warm CMP Capitol welcome to our community.

Sincerely,

Bernie Evangelista
Principal, Capitol Campus

5/15/19 Parent Cafe

Please mark your calendar for our very last Parent Café, happening on May 15th, from 8:30am-9:00am in the MP room. We would like to take this time to honor our Dean of Students, Ms. Maria Ostendorf. We encourage parents who wish to thank her and show appreciation for her service, to join us at this time. Refreshments and bagels will be provided. If you would like to contribute other “breakfast” items to this event, please contact the Office Manager, Shoua Xiong, at sxiong@cacmp.org

Variety Show

When: Thursday, May 23rd
Where: Multi-purpose Room
Time: 5:30-7:30pm

We welcome all families to join us for this exciting event. Our Band Program and Hip Hop program will also be performing during the Variety Show. We hope to see you there!

Mark your Calendars for upcoming important events!

Classroom Observation
Dear CMP-Capitol Families:

CMP Middle Schoolers are participating in the Garrett Morgan Team Competition challenge to design a sustainable transportation solution.

Their idea is an app that connects families who are willing to carpool, walk, or bike to and from school or other events: Eagle Ride.

The concept is a lot like Lyft or Uber, but the drivers and walk/bike chaperones are all CMP parents, with profiles outlining who they are and where they live. For instance, if you have extra seats, but are not sure who from school lives in your neighborhood, the app would connect you in real time with students seeking a ride! The result would be fewer cars, more time for busy parents, and a stronger community. The service would cost $1 per ride, or you can pay with points earned by giving uncompensated rides.

Your completion of the following survey will help the middle school presentation. They will present the complete concept to Caltrans and the US Dept of Transportation (DOT) as part of the Garrett Morgan Sustainable Transportation Competition. To learn more about the competition, please refer to the official website: https://transweb.sjsu.edu/education/garrett-morgan-program

Please note that Eagle Ride is not an actual app or CMP program. It is just an idea from some motivated students. Your participation in this survey is greatly appreciated.

Also, your participation will earn all of the students in our household a FREE DRESS PASS!
