Dear Parents and Community Members,

I just want to express my appreciation to all of our teachers and staff for always giving their A game when working with the children. As the school year comes to an end, the students have the heightened energy and excitement that summer brings. Similarly, teachers and staff also have the excitement that summer brings and continued energy to make this the best school year for the students! They push themselves daily to always give their best to the children, to always make the encounters with each child memorable, positive and hopefully life changing. Thank you for the care you provide and the love you show the students. It will leave them with a special memory as they go into summer and a new grade or level.

It is an honor and delight to witness the great work our teachers do. I invite you to join me in thanking them and showing appreciation for their dedication, commitment and hard work.

Have a great weekend!

Sincerely,

Bernie Evangelista

6-9 & 9-12 Cabana Field Trip

PLEASE NOTE: There are some requirements for use of the swimming pool at the Cabana Club in order to ensure safety for all children in the pool.

In order for a child to be allowed to go in the pool, they must pass a swimming test (swim unassisted from deep end to the shallow end with no floatation devices). All students who WANT to swim and do not have their parent with them, MUST do the swim test AND PASS. Non-swimmers can be in the water and avoid the test ONLY IF THEIR PARENT IS WITH THEM AT THE FIELD TRIP AND IS ACTIVELY PARTICIPATING IN THE WATER WHILE THEIR CHILD IS IN THE WATER. We want to ensure non-swimmer parents are engaged with their child during any swimming time.

We understand that this may be a disappointment to non-swimmers if their parents are not with them in the pool. However, there are many other fun activities available at the Cabana Club: a playground, sandbox, volleyball nets, tennis courts, as well as grassy areas for other games. We are confident that everyone will have an enjoyable time regardless of whether they swim. Thank you for your support of these extremely important safety measures.
**MONTESSORI MARKET LAST DAY of SERVICE on June 6th**

The Middle School's student-run business, The Montessori Market, will have its final day of service on Thursday, June 6th; 2:45 - 3:15 PM at the sibling car line. Students who bought prepaid cards can continue using those next week (Tues. & Thurs.) and any remaining balance can be used towards next year.

Thank you for supporting our Middle School students as they learn about & practice valuable skills and lessons on entrepreneurship, leadership, teamwork, finance, advertising, customer relations and more.

We look forward to partnering again with all our families next school year.

Sincerely,

---The Saber-Toothed Cat Class
