### General Information:

Club Montessori's Before & After School and Intersession Care Programs are an optional addition to the regular school day. This quality option is an integral part of a complete education for many families. Because of CMP's commitment to providing the highest quality Montessori education possible to its students, we have thoughtfully designed Club Montessori to offer a comprehensive Before & After School and Intersession Program for CMP students. Recognizing the importance of quality and consistency, we offer the following:

- Seamless transition of care
- Organized daily activities
- Enrichment rotations
- Daily Homework Club
- Convenient location
- Competitive pricing

We believe that Club Montessori is the best answer for many of today's busy families. If your child is enrolled in CMP and you are interested in enrolling your child in Club Montessori, complete a Sign Up Sheet and Contract and return it to your campus office as soon as possible. Every effort will be made to accommodate all interested students, however space may be limited based on availability of staff and facilities.

### Availability:

Club Montessori is offered exclusively to students enrolled in the California Montessori Project charter school. Space may be limited, so please sign up early to assure a spot for your child. Sign Up Sheets and Contracts are available at your school office and on our web site at [www.cacmp.org](http://www.cacmp.org). Availability at each campus may vary, so please check with the Club Montessori Coordinator at your campus.

### Staffing:

We believe that having trained staff who are familiar with Montessori is important to you. It is to us too! We will make every effort to staff Club Montessori with the same staff who will be working the children during the school day. All staff have been fingerprinted, undergone TB and background checks, and hold valid CPR/First Aid certifications.

### Location:

Before & After School Care will be provided at the CMP campus that your child attends. We believe that keeping a child in the same safe, familiar environment where s/he spends his/her school day is beneficial to his/her mental and emotional well being.

### Food & Snacks:

Students using Before & After School Care should have breakfast before coming to school, or parents may provide a healthy packed breakfast for their child to eat at school between 7:00 AM and 8:15 AM. Students participating in the After School Program should bring extra food in their lunch for a light, healthy snack in the afternoon.

### Early Drop-Off & Late Pick-Up:

Our staff are on site from 7:00 AM - 6:00 PM, Monday - Friday. Children may be dropped off no earlier than 7:00 AM, and must be picked up by 6:00 PM. Out of consideration for our staff and their families, we ask your cooperation in adhering to this schedule. Late pick-ups (after 6:00 PM) will be billed at a rate of \$1.00 per minute and such fees are due at time of pickup.

### Payment Options:

Club Montessori offers the following payment options: Individual monthly payments on the first of each month; or one simple annual payment at the beginning of the school year. Monthly fees are to be pre-paid at the beginning of the month that Club Montessori services are needed.

Fees not paid by the 5th of the month will result in a reminder bill being sent, along with a \$15 billing fee. Fees not paid in full by the 10th of the month will result in cancellation of Club Montessori enrollment. Changes in contracts may be made only on the first day of the month and the annual contract may be changed only once. No credits will be given for early pick-ups, late drop-offs, absences, illnesses, holidays, vacations, or emergency closures.
