Teresa Bumagat, Club M  
Billing & Coordinator

Greetings! In the month of September we enjoyed learning about different Science activities such as inflating a balloon using a water bottle with a baking soda and vinegar concoction. This month of October for enrichment, we are learning about Art. On Wednesday, October 3<sup>rd</sup> and 17<sup>th</sup> are early release days. Homework club started in September and our sign-ups are in the Club M room, please ask a staff member for more information. For our punch card families please utilize our online Punch Card Reservation sign up on our school website at [www.cap.cacmp.org](http://www.cap.cacmp.org) under the Club M tab.
