

# APPLICANT LIVE SCAN: Fingerprint Services Locations and Hours of Operation

Below is a listing of Live Scan fingerprinting services available to the public in Sacramento, El Dorado and Placer counties. A complete list of Live Scan Locations in California, organized by county, is maintained at the Attorney General’s website. Patrons are encouraged to contact the Live Scan providers in advance to verify their current operating hours, fees, etc.

## IMPORTANT PLEASE READ:

- CMP does not provide a billing number for livescan services. All livescan service and rolling fees are the responsibility of the individual applicant. Locations identified by "BNR" (Billing Number Required) provide live scan services only to applicants with agency billing numbers identified on their Live Scan forms.
- Rolling fees vary from location to location and cover only the operator's cost for rolling the fingerprint images. The actual State (DOJ) and Federal (FBI) level criminal history record checks fee will be added at the time of service.
- Applicants must present valid photo identification to the Live Scan Operator. Expired identification cards will not be accepted.
- CMP encourages applicants to choose sheriff stations or police department offices for livescan processing. While CMP does not endorse the use of “convenience locations” such as the UPS Store or “Box Shops”, choice of livescan operator/location is at the sole discretion of the livescan applicant. In the event that a livescan report is not received by CMP, the applicant will need to return to the original livescan operator to investigate the problem or may choose to visit a new location for an additional fee.
